Next Generation Conversations

*with award winning Catholic singer-songwriter
Sarah Kroger in concert*

Next Generation Conversations is a special series hosted by Catholic Leadership Institute for individuals ages 25-50 to gather feedback about their experiences in the Catholic Church.

Findings from these conversations will help the Archdiocese of Philadelphia create more meaningful Catholic experiences for the next generation. Join us for a robust conversation about how a Catholic parish can help serve you better.

Concert featuring award winning Catholic singer-songwriter Sarah Kroger to follow.
